Mobile, AL 2012 ~ 2013  
*Assisted in the gym and in the classroom for the after school program.*

## Professional Teaching Experience

As a part of the Department of Education's requirements at Spring Hill College, I have observed, assisted, and taught in grades K-5. Currently, I am doing student teaching internship in a second grade classroom at Mary B. Austin Elementary School in Mobile, AL. I have observed and taught in both public and private schools. I have tutored and assisted both GT and special education students.

## Skills

- Excellent oral and written communication
- Exceptional classroom management
- Work well and enjoy learning with others
- Passionate, enthusiastic, & understanding
- Life long learner with positive attitude
- Motivator

It is the supreme art of the teacher to awaken joy in creative expression and knowledge.

Albert Einstein

## Teaching Philosophy

Each child is unique and deserves a safe, motivating environment to grow and mature physically, intellectually, spiritually, socially, and emotionally. My hope as an educator is to inspire my students to be the best possible person they can be. My responsibility is to guide students through the learning process and to promote curiosity in the classroom. My goal is for students to learn to become self-motivated and successful in my classroom.
